### Class News...

February has been full of joy and learning for our students. We celebrated our cultural heritage by organising a Pitha Festival on the 5th, where students had the opportunity to choose, taste, and learn about the traditional pithas of Bangladesh. We also observed Ekushey February through meaningful activities and by wearing black and white to honour the Language Martyrs. We sincerely thank our parents for their continued support.

Dear Parents,

As we commence the Summer Term on 29 March 2026, we look forward to the exciting opportunities ahead. We are pleased to invite you to the Winter Term Parent–Teacher Meeting on 7 March 2026, where we will reflect on the progress made and celebrate the achievements of our students. We wish everyone a successful and fulfilling term as we work together to conclude the academic year on a positive note.

Best wishes,

**Nursery Teachers**

A day full of tradition, happiness, and delicious pitha — our little learners celebrating together.
