### Class News...

Our little ones continue to shine with excitement, curiosity, and joy each day. Our students have celebrated "Victory Mufti Day" on December by wearing red and green to proudly show their patriotism. On December 18th, they enjoyed a meaningful visit to Gulshan Society Park. Rehearsals for the Annual Cultural Programme are currently underway. We appreciate these moments and look forward to many more.

Dear Parents,

After a refreshing winter break, our students will return with renewed energy, ready to take on their academic challenges with confidence. We are excited for the upcoming events of the academic year, including the Annual Athletics on 17th and the Annual Cultural Programme to be held on 31st January 2026. We hope the new year brings more fun, learning, and engaging activities for everyone.

Wishing you a restful winter vacation and a joyful New Year filled with peace, happiness, and wonderful memories. We truly appreciate your continued support, encouragement, and cooperation.

Thanking You,

**Nursery Teachers**

Our little ones enjoyed a fun Character Day, proudly dressing up as their favourite characters and celebrating creativity.

**Happy New Year!**
