APRIL 2024

Dear Students and Parents,

Despite the intense heat, March has been incredibly eventful as we wrapped up the Winter term with the Parent Teacher Meeting. Our Deputy Head, Rubaiyat Razzaque led successful training sessions during the DISA Professional Development event, which received high praise.

As we observe Ramadan, a month of fasting, sacrifice, forgiveness, and charity for Muslims, we pray that all our efforts are accepted. Recently, our students from Classes 9 and 10 organized a heart warming event to express gratitude to the support staff and guards, along with their families, for their unwavering dedication to the school. On the same occasion, we provided ration packs to our support staff. Additionally, the Community School children received Eid outfits, shoes, and Ramadan ration packs.

In this era of technological integration into every aspect of life, we encourage and continuously train our teachers to adopt innovative teaching methods to engage Generation Z and Alpha students more effectively. Throughout Ramadan, we provided regular support sessions to students to help bridge any learning gaps and customized packs will also be sent to students to ensure they maintain their progress.

We eagerly anticipate the Summer term, which will kick off with the Boishakh Carnival, marking its return since Covid. We look forward to celebrating Bangla traditions and culture with you all at this event.

Best Regards,  
Ridwana Ali
