FEBRUARY 2026

Dear Parents and Students,

What a time to be present. In a world that often feels crushing, we continue to strive for calm, focus and balance for both ourselves and our children. Managing screen time remains a shared challenge for many families, and with this in mind, we introduced light academic tasks during the winter break to help students maintain the habit of structured study. We would love to hear from parents across all class levels about how this worked for your children.

In our ongoing pursuit of strong academic standards, we have introduced a new series of English reading books at the Elementary level. These resources will support the development of reading, writing and thinking skills. At the same time, our young learners can look forward to an exciting new jungle gym that promotes physical activity, coordination and imaginative play. With winter break behind us, the campus has been buzzing with activity. Students have been actively involved in Annual Athletics and the final rounds of the Talent Hunt, alongside preparations for the Annual Cultural Programme. While the Talent Hunt showcased a wonderful range of performances and student confidence, feedback clearly highlighted how cherished the CGSD Annual Cultural Programme is within our community. Based on this, the much-loved ACP will return in full form next year.

On 7 February, we will host our Teachers Convention in Dhaka, where we will also recognise outstanding performers of the year. Winter Term examinations and Mock 2 are approaching, and teachers have already begun revision and preparation. The syllabus will be shared shortly to support timely preparation at home.

Registration for the May/June 2026 O Level and AS Level examinations has been completed, and our senior students are now fully focused on academics. We warmly welcome your observations and feedback and look forward to continued collaboration.

Best regards,

Rubaiyat Razzaque

RECENT EVENTS & ACTIVITIES

Annual Athletics: The weather was perfect for sports and our Annual Athletics was held recently at Chairmanbari Field (pictured above). Students from Playgroup to Class 11 enthusiastically participated in a range of events.

Echoes Concert: Current students and alumni (above) reconnected in a wonderful musical event. The concert reflected a strong sense of community, celebration, and continuity between past and present members of the CGSD family.

Gulshan Park Outing: Our elementary students recently visited Gulshan Society Park as part of an outdoor engagement activity. They enjoyed a joyful and relaxed environment while actively participating in various play activities. Such outdoor experiences are vital for the holistic development of young learners. They promote physical fitness, cognitive growth, social skills, and teamwork. A group pictured below.

Community School Event: CGSD observed the Community School Award Ceremony and Foundation Day in late December.

The rooftop event was held in a joyful and inspiring atmosphere, celebrating student achievements and the significance of the foundation day. Students from the Community School enriched the event with stage performances, including dance, singing, and drama. The celebration concluded happily with students receiving gifts from the guests and directors.

Victory Day Mufti: In honour of our Liberation War, students enthusiastically took part by wearing our national colours, a group pictured below.

CIFT Special Assembly: A special assembly was organized to honour the winning teams for their outstanding performance and sportsmanship. Our Under 13 Boys and Under 16 Girls were champions, and this was a wonderful way to recognise their outstanding performance and sportsmanship.
