Class News...

Dear Parents and Students,

CGSD is delighted to acknowledge the outstanding performance and enthusiastic participation of our students in the Annual Cultural Programme & Talent Hunt. Their efforts and achievements continue to make us proud.

With the Winter Term Examinations now completed, the Winter Term PTM will be held on 10th March. We look forward to connecting with parents and guardians to discuss students' progress and growth.

During the holy month of Ramadan, while the school remains closed for the Eid holidays, students are encouraged to review their lessons and strengthen their understanding in preparation for the next term.

Wishing everyone a blessed Ramadan and a joyous Eid.

**Warm regards,
Class 4 teachers**

March Projects...

Science: Physical and Chemical changes
